

Cinderella befriended singing birds chirping outside the window to wake her up every morning. She made friends with the mice in the same room pay. She also named and gave them hire sewing clothes for baby jot lovely hood. Bunch of mice extremely loved her because she often save them from the clutches of mouse traps or devil, taking the name of the cat's aggressive stepmother. Job every morning is to prepare Cinderella decent food for the whole family, filled with milk for cats, bone for dogs, horses, barley, corn and grain for the chickens, geese and ducks in the yard farm. She also brings to light up dishes make room for her stepmother, Anastasia and Drizella.

"Take me away shirt skirt board and brought them here within an hour," Drizella ordered, "Do not forget me sewing clothes, get it done and do not attempt to drag a clear day" Anastasia requires. Stepmother and growling in the mouth, "Bring dirty laundry right away. Then clean the large red carpet in the living room, cleaned the windows for glossy, and both large and small rugs. "

"Mother yes, yes Drizella, yes Anastasia." Cinderella happy to answer and quickly go do his job without any whining or upset.

In the Kingdom of Cinderella, in the Royal Castle, King was talking to him Duke. The old king said, "It is time for our prince to marry and have family shelters."

"Yes, Majesty, but first met the Prince to the girl he fell in love already."

"You're right. We will open that evening and to invite all the young girls in the kingdom arrived. Prince will definitely love with a girl.

My Friend

During the time at home Cinderella always have worries all the housework, while her stepmother and two of her daughters, then tortured her and only know how to dictate not make her rest. Cinderella befriended singing birds chirping outside the window to wake her up every morning.

She made friends with the mice in the same room pay. She also named and gave them hire sewing clothes for baby jot lovely hood. Bunch of mice extremely loved her because she often save them from the clutches of mouse traps. The sad when she talked to them, they made her feel better. These mice also ecstatic that we are obedient or her fun games. Each morning we often do housework her side. We always tangerine wrap her, whenever her delicious dish or divide what the mice his uncle. Job every morning is to prepare Cinderella decent food for the whole family, filled with milk for cats, bone for dogs, horses, barley, corn and grain for the chickens, geese and ducks in the yard farm. She also brings to light up dishes make room for her stepmother, Anastasia and Drizella.

"Take me away shirt skirt board and brought them here within an hour," Drizella ordered, "Do not forget me sewing clothes, get it done and do not attempt to drag a clear day" Anastasia requires. Stepmother and growling in the mouth, "Bring dirty laundry right away. Then clean the large red carpet in the living room, cleaned the windows for glossy, and both large and small rugs. "
